THE 1959 TIGER

Lewis and Clark High School

Fourth and Howard
Spokane, Washington

Index, Page 137

"Hi! I'm the Traveling Tiger, and I want to tell you about my trip around Lewis and Clark in one hundred and eighty days! I met the administrators, the teachers, seniors, juniors, sophomores, and the freshmen. I found Lewis and Clark a busy place, filled with a stupendous number of activities! This large school overflows with spirit, and tradition, and loyalty . . . and oh, so many proud athletes! The classes aim at scholastic achievement and excellent citizenship. This is my journal, telling my story as I found it . . . from the entering freshmen to the graduating seniors!"

Janchett,
Please excuse
the pencil! Best
of luck in your coming
years. Best Wishes,

Janet,
We sure did fool around in
algebra, computing tests and also
other small things that was
fun to us. Perhaps
didn't see us. It's been fun
having you in this algebra class
and I hope we can be in some
classes together next year. The very
best of luck in the future, Janet.

Bill Anderson
"62"

Yes a pretty good
idea - - - now that I think
about it (ha-ha) I'll really
be fun in algebra class (sometimes)
when we weren't fighting about something
else, times running out.

Lots of luck,
Rita
"62"

Well Janet,
This year is almost
over. I hope next year
seems as much fun and
you have lots of boyfriends and
have fun at C.
Always
with
love
Sue

DOCTOR **LAWYER** **PHOTOGRAPHER** *

When you think about it, the family photographer falls somewhere in the family doctor-lawyer classification. The photographer, like the doctor and lawyer, is called upon when major events in your life occur. With a fine studio portrait you can relive in later years the happiness of the engagement, the wedding, the arrival of children. A photograph is part of forever, and our studio takes this responsibility seriously

*We are proud to be the photographer chosen to photograph your graduating class.

We hope that this is the beginning of a lifelong relationship.

Dear Janet,

How did you like your first year at Lewis and Clark? If you were like me you enjoyed it. I have only one year to go, but I am afraid I am going to miss it after I'm gone.

It was fun giving you your basket in gym every M-W-F. Hope to see you next year. Tell your brother I haven't signed his annual yet and he mine.

Have fun this summer and all the time.

Good Luck in the future
